Pro Spot International Announces new 'Made in Canada' I-CAR Training Specials

In its continued commitment to industry training, Pro Spot is pleased to announce new I-CAR Canada training Promotions. From April 1st to June 30th, Pro Spot is offering free I-CAR training to customers who purchase qualifying equipment during this period.

Qualifying Equipment Free I-CAR Courses Offered:

- Spot Welders: i4, i4s, i5 WCS 04 - Squeeze-type Resistance Welding (1 tech)
- MIG Welders: SP-2, SP-5, SP-5DP, SP-5.3 - Choice of WCA 03, BRZ 02, WCS 03 (1 tech)
- PR-5 Rivet Gun - RVT 01 Rivet Bonding class (2 techs)
- NP-3 Plastic Welder - PLA 03 Plastic and Composite Repair (2 techs)

Terms & Conditions: The promotions run from **April 1, 2019 - June 30, 2019**. All training must be completed **by September 30, 2019**. Travel, accommodation and other expenses are not included. There is no cash value or discount in lieu of training.

These are the steps to follow to make sure the customer receives their Free Training Classes:

1. **DISTRIBUTOR MUST - provide Pro Spot with this complete information:**

Send to Russ Duncan, russd@prospot.com

Full Business Name:
Business Address:
Contact Name :
Phone Number:
Type of Equipment Sold:
Serial number(s):
Invoice Date:

2. **CUSTOMER MUST - complete the Warranty Registration form** for your new equipment.

Form available at: <https://prospot.com/support/warranty>

3. **CUSTOMER MUST - contact I-CAR Canada directly to arrange training** after they have taken delivery of the equipment.

I-CAR Canada contact: **Thomas McEvoy**
Email: Thomas.mcevoy@aiacanada.com
Phone number: **1-800-808-2920 ext 280**

Thomas will discuss class availabilities, locations and register the tech(s) for the appropriate class. I-CAR Canada will contact Russ Duncan to verify the customer information and equipment purchase.

If you have any questions, please call **Art at 604-866-1001** or **Russ Duncan at 604-354-8760**.
